Dear Potential Sponsor:

DeVeau's Gymnastics Booster Club is proud to present the **2012 Circle of Stars Girls Gymnastics Invitational**.

Circle of Stars

- is a premiere 3 day gymnastics competition
- is one of the largest gymnastics meets in the United States
- showcases four gyms of simultaneous competition
- hosts almost 3,000 female gymnasts
- is historically attended by over 10,000 to 15,000 spectators
- will invite & host college recruiters from some of the top universities in the country

Because Circle of Stars is a prestigious invitational gymnastics competition, it serves as a qualifying meet for the **Nastia Liukin Supergirl Cup Series**. Participation in this series is open only to a limited number of top level invitational meets. Gymnasts at Circle of Stars in the Level 10 / open division will compete to advance to the annual Nastia Liukin Supergirl Cup, conducted on the podium the evening prior to the **AT&T American Cup**. Because it is part of the **Nastia Liukin Supergirl Cup Series**, Circle of Stars gets a high level of media exposure including a media release, banner ad rotation on USA Gymnastics website and direct email to USA Gymnastics membership.

Your sponsorship is not only an investment in your business, but an investment which makes a difference in the lives of these young athletes. Circle of Stars is an exciting event for the gymnasts, because the meet features a high level of competition and an exhilarating environment at a world class venue located in a city that is defining the Midwest – Indianapolis!

DeVeau's Gymnastics Booster Club is also proud to host the 2012 Circle of Stars Gymnastics Invitational for Boys on February 11 & 12, 2012 at the Boys & Girls Club of Noblesville.

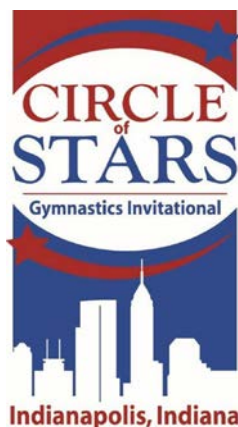

DeVeau's Gymnastics Booster Club invites you to be a corporate sponsor for the 2012 Circle of Stars Gymnastics Invitationals. Because we are a 501 (c) 3 corporation, your sponsorship is tax deductible.

Your sponsorship of Circle of Stars provides an opportunity to publicize your business to a large audience in a variety of ways. Sponsor benefits may include hanging banners during the meets, program ads, booth availability, your business featured on an event t-shirt and / or on the Circle of Stars website, event announcements and more! Please refer to the enclosed sponsorship information for the various levels of support. Your support enables the many years of Circle of Stars tradition and success to continue.

Thank you very much for your consideration of sponsorship for the 2012 Circle of Stars Gymnastics Invitationals. For additional information, please contact me or visit the Circle of Stars website, www.circleofstars.org.
